Tristan Fumière

Web Developer

Courageous, motivated and independent young student. I have long had an attraction for computer development and especially web development. I first acquired my skills as an autodidact and then joined a computer science DUT. My assiduity allows me to deliver well thought-out and professional work.

PROFESSIONAL EXPERIENCE

From 10/02/2017 to 15/02/2017 (Annœulin, France) Mr. Bricolage

Trainee

Tasks performed:

As a multi-purpose employee, I did inventories, shelving, facing and cleaning of the store.

From 03/08/2020 to 31/12/2020 (Lens, France)

Triangle Intérim

Temporary Work

Tasks performed:

- Cleaning agent for the company A.D.S in a cold store in Locagel (Vendin-Le-Vieil).
- Handling mission: Unloading of refrigerated trucks by hand at Locagel (Vendin-Le-Vieil).
